

2023 BUCK MOUNTAIN GARDEN CLUB ANNUAL AUCTION Monday, November 13, NOON

“GETTING READY FOR THE HOLIDAYS”

Come one, come all! Friends, family and those who may be interested in joining our fabulous Garden Club!

The Annual BMGC Auction is our major fundraiser. The money we raise goes to fund the charitable organizations we support. This is also a fun way to shop for the upcoming holidays - either for gifts or for your own pleasure.

Items (bring as many you you'd like) to be sold should be unwrapped and marked with what you think is a fair price with a \$25 max value. If you are baking goodies, don't forget how much it cost you to make them! If you aren't sure of pricing, helpers will be on hand to guide you. Food items should be on sturdy plates, covered with clear plastic wrap. A festive bow always makes any item more appealing!

Here are just a few suggestions for the sale:

Pies, Cookies, Candy, Breads

Pickles, Jams, Preserves

GARDENING SUPPLIES

HOLIDAY TRIMMINGS

AND, of course, GIFTS! We all have items in our house - NOT white elephants - but nice things that would make a lovely gift. These items should be in New or LIKE NEW condition, ready to be wrapped and given to the perfect someone!

Note: If you are inviting guest(s), be sure you bring extra items (at least one per invitee) so they will have fun shopping, too!
